so, after another season comes to an end, we have had our ups and downs. We have had Stuart Clarke retaining the Ian Kitley Memorial Trophy for the 2<sup>nd</sup> time running and also retaining the British Open top Junior for the third time running. We have seen Rich Harding win the Ian kitley memorial for the seniors and seen Ben Harding winning the World championship for the second time running and Stuart Clarke winning the Junior Worlds 2011. we have seen Jono Hartley retaining the national points and have also seen him win his first points championship at Rugby. Well done to him. And finally but not least Clive Buckler who once again wins the overall points standings at rugby raceway for 2011 season. Well done to everyone that has made this club sparkle this past year and thank you for all the sponsors and people who have advertised the club over the past year. Remember we have two meetings to go until the full end of the season of 2011. we have this Friday the Kiwi Cup Semi's and Finals and the following week on the 16<sup>th</sup> which is our final meeting of the year which is the Long Track semi's and Finals. We have our AGM on the 6/1/2012

and I hope everyone has a great end to the year and a very happy Christmas and new year from myself. Hope to see you all again in the near future.

All the best, STU#12
